DETAILED ACTION

Allowable Subject Matter

Claims 1-13 and 16-21 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: the prior art does not disclose or make obvious forming a photoresist over a mirror covering an active surface of a semiconductor chip, singulating the chip from a wafer and then removing the photoresist after the chip back surface is attached to a substrate and an electrical interconnection is formed between pads of the chip and the base substrate including all the limitation of the independent claim.
